Re: **Mercedes-Benz of Oakland**  
Case 32-RD-252832

Dear Mr. Dayton:

This letter acknowledges receipt of the Petitioner's December 10, 2020 request for review in the above-mentioned case. Pursuant to Section 102.71(b) of the Board's Rules and Regulations, a party may obtain review of the Regional Director's direction to place a petition in abeyance because of the pendency of concurrent unresolved charges of unfair labor practices by filing a request with the Executive Secretary of the National Labor Relations Board. The party's request for review must conform to the requirements of Section 102.71(c) of the Board's Rules and Regulations.

Section 102.71(c) reads as follows:

(c) A request for review must be filed with the Board in Washington, DC, and a copy filed with the Regional Director and copies served on all the other parties within 10 business days of service of the notice of dismissal or notification that the petition is to be held in abeyance. *The request shall contain a complete statement setting forth facts and reasons upon which the request is based.* The request shall be printed or otherwise legibly duplicated. Extra copies of electronically-filed papers need not be filed. *The request must comply with the formatting requirements set forth in §102.67(i)(1).* Requests for an extension of time within which to file the request for review shall be filed pursuant to §102.2(c) with the Board in Washington, DC, and a certificate of service shall accompany the requests. (Emphasis added).

Here, the Petitioner's request for review does not set forth the reasons upon which the request is based, and further does not comply with the formatting requirements set forth in §102.67(i)(1), i.e., document is not double spaced.

The Petitioner may conform the filing as a request for review to meet the requirements set forth above, and re-file the request for review with the Board in Washington D.C. by **Friday, December 18, 2020.**

Very truly yours,

/s/ Farah Z. Qureshi  
Deputy Executive Secretary
